KINGDOM BUILDERS SUMMIT

Lee & Laura Domingue
KB Summit Hosts

What was once a small trip with our family to connect and have fun has turned into a week of refreshment for hundreds of pastors and business leaders (and their families). We are passionate about providing a space for Kingdom Builders to be re-envisioned so that we can impact the kingdom TOGETHER. We hope this week is as impactful for you as it has been for us! Please make yourself at home- you belong here.
